Orchid Price List (Updated January 2017)

Sizes - S: Seedling, NFS: Near Flower Size, FS: Flowering size. (-M = Mounted)

Most orchids currently in stock are featured on this list. We may however have small quantities of certain plants which we have not placed on the list. Please contact us with your requirements.

We stock a wide variety of orchids in flower which are sourced from various growers which does not appear on this list. Please enquire regarding availability.

This cancels all previous lists. Some varieties are available in limited quantities only.

Prices are subject to change. All prices are ex nursery, exclude delivery and are VAT inclusive.

Postage will be charged at cost.

Item	Size	Price
